13) It is ~~requested~~ stated that, the Finance Branch while communicating their views drawing the attention to the statement should have sent the ~~said~~ statement along with the copy of the G.O to all the Officers In the absence of this it is not possible even for the Auditor Electrical Department to know the persons of those who desire to retain the G.P.F and Gratuity scheme. It would therefore be desirable to request the Finance Department to send a copy of the statement as recorded by Govt to all the concerned for their reference, as such a copy sent by Govt would be an authenticated one.
